

500-15
Tube Bender for 15 mm-19/32"s for 15 mm Tubes

PRODUCT DETAILS

- Tube bender for 12, 14, 15, 16, 18 and 22 mm
- Ergonomic design for optimal comfort and increased productivity.
- Designed to avoid interference with the tube during bending
- High precision bending of steel and copper tubes
- Also suitable for chrome-plated tubes
- Allows bending up to 180°
- 20% less bending force required than with conventional tube benders
- Allows vice clamping
- Comfortable curved handles for non-slip grip
