

Qoltec Super Fast Power Delivery 96W Charger | USB-C 3.0 | 5–20V | 3–4.8A | MacBook Laptop Smartphone

Product code: 51783

The Super Fast PD mains charger ensures fast and safe charging thanks to Power Delivery (PD) technology, which automatically adjusts the charging parameters to suit the connected device. Equipped with a USB Type-C port, it enables efficient charging of smartphones, tablets, headphones and other mobile devices. Built-in safety systems protect against overvoltage, overload, overheating and short circuits, ensuring reliable and safe use.

ULTRA-FAST CHARGING AND PRECISE ADJUSTMENT OF CHARGING PARAMETERS

It automatically adjusts the voltage and current to suit the needs of the connected device
The Super Quick PD charger is **an ultra-fast, advanced and versatile charger from Qoltec** . It can charge your device up to **4 times faster than a standard charger** , with the battery reaching around 60% in 30 minutes. **It precisely adjusts the maximum voltage and current output to the battery requirements of the connected device** . This means you can use just one charger for various types of devices.

UNIVERSAL USB TYPE-C PLUG – FAST, VERSATILE AND EASY TO USE

Power Delivery and USB-C – a modern charging standard

POWER DELIVERY technology utilises the **USB-C** standard. This is an ultra-versatile port that supports the latest USB standards and technologies. Using the appropriate cable, the charger can be connected to any device, such as a **smartphone, tablet, laptop, Bluetooth headphones** etc. **The USB-C standard features a small 24-pin symmetrical connector** – ensuring a secure connection and fast charging.

CONVENIENCE FOR EVERYDAY USE

Sturdy and stylish – perfect for everyday use and when travelling
Crafted with attention to every detail, this charger combines durability with a modern design. Its robust construction ensures it can withstand daily use, whilst its well-thought-out design guarantees a stable and secure connection for your devices. The versatile colour and attractive finish mean it blends in perfectly with a variety of equipment – both at home and in the office.

A versatile solution for multiple devices
Using a single charger for multiple devices is a practical solution that allows you to reduce the number of accessories, keep your space tidy and minimise electronic waste, which has a positive impact on the environment.

STATE-OF-THE-ART DESIGN

Complete safety in use
This charger is equipped with a range of safety features to protect both your device and yourself. Its advanced electronic circuits constantly monitor operating parameters, responding immediately should any abnormalities be detected. This ensures a stable charging process, with no risk of damage to the battery or the device itself. **It features protection against overcurrent, overvoltage, overheating and short circuits**. Constructed from **high-quality materials, it ensures complete safety in use**.

CONFIDENCE CONFIRMED BY A WARRANTY

Quality Guarantee – Long-lasting Power, Reliable Performance
Do you care about the quality of the product you're buying? Our solutions will meet your expectations. Each of the mains chargers we offer is covered by a **24-month warranty valid from the date of purchase**.

TECHNICAL DATA

Producer	Qoltec
Maximum power	96W
Usable power	USB-C : 96W
Input voltage	220 - 240 V
Output voltage	5-20V
Voltage range	USB-C: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/4.8A
Output current	3-4.8A
Frequency	50 - 60 Hz
Socket type	USB-C PD
Usage	Smartphone Laptop Tablet Powerbank Wireless headphones Wireless speakers Portable gaming console Smartwatch
Safety	- against too low or too high an input voltage, - against overcharge, - short circuit in the power supply circuit, - against overheating
Additional information	Level VI
OTHER PARAMETERS	
Colour	White
Dimensions (D/L x W x H)	25 x 95 x 75 mm
Package contents	1 x Super Quick PD charger 1 x User manual 1 x Warranty card
Package depth / length [mm]	35
Package width [mm]	105
Package height [mm]	200
Net weight [kg]	0.265
Gross weight [kg]	0.295
Warranty	24 month
EAN code	5901878517834
