

BETA 1742AN

Heavy-duty riveting pliers for threaded inserts, supplied with 7 interchangeable nozzles

Features

Heavy duty riveting pliers for threaded inserts supplied with 7 interchangeable nozzles.

MULTIPLICITY OF USE

The presence of interchangeable nozzles makes it possible to select the most suitable one for the required application.

TIME SAVING

Innovative mechanism allows quick replacement of heads without the use of additional tools.

FORCE SAVING

Force-saving due to oversized lever and high-strength carbon steel handle.

PERFECT COMBINATION

The colour indication in the mandrel and head makes it easy to match the correct size.

ERGONOMIC HANDLE

Premium impact-proof handle to remain comfortable even with prolonged use.

COMPACTNESS

Particularly practical and easy to transport thanks to its small dimensions.
