

**EASY LIGHT**

## BETA 7860G

Work trousers, lightweight New design - Improved fit

Certifications and Standards

## Features

The Beta Easy clothing line supports the worker during everyday work with durable, safe and comfortable garments.

### BEST SELLER

The 7860G trouser is by far the best-selling item in the Beta clothing range: a perfect combination of practicality, durability and price.

### SPACIOUS AND PRACTICAL

Both large and small multifunctional pockets make this garment extremely practical and spacious. The ideal choice for moving around freely while always having the essentials to hand.

### EXCELLENT FIT

Attention to detail and careful design ensure an exceptional fit, available up to size 5XL, and maximum practicality. An ideal ally for every working day.

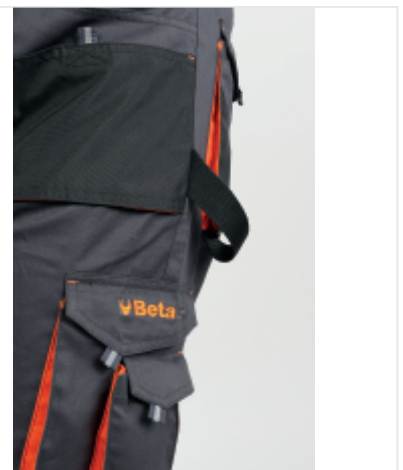

### MULTIPOCKET STYLE

The perfect trouser for those who want to have everything to hand: 8 pockets designed for maximum comfort.

### RESISTANCE

The trousers are reinforced with knee pad inserts and polyester 'Oxford' pockets for maximum strength.

### DETAIL STUDY

The discerning user will appreciate details such as the ruler pocket and hammer loop.
