

MUSSEL 2

LAPTOP SLEEVE MAX 16"

PRODUCT FEATURES:

- Softly padded protective case designed for safe storage and transportation of your laptop.
- Soft edge protection reinforces the sides, safeguarding the most vulnerable parts of the device.
- Shock-absorbing foam effectively cushions impacts, providing extra protection during travel and commuting.
- Perfectly fitted size ensures stability of the device with no unwanted movement while carrying.
- Slim and lightweight design adds no unnecessary bulk or weight, making it easy to fit into a bag or backpack.
- Water-resistant outer fabric protects the equipment from moisture and adverse weather conditions.
- Convenient double zippers allow quick and easy access to your laptop, enhancing everyday usability.
