

RJ45 FPC (Flexible Printed Circuit) window feed-through 30 cm

Description

This flexible RJ45 window feed-through by Delock can be used perfectly to create a network connection through closed windows. The flat cable can be placed between the window and window frame. The installation can therefore be done without tools and without drilling. The window feed-through can also be fixed with adhesive strips and screws for an optimal hold.

Item no. 87031

EAN: 4043619870318

Country of origin: China

Package: Zip poly bag

Technical details

- Connectors:
1 x RJ45 jack >
1 x RJ45 jack
