

TURBOT 2

WIRELESS KEYBOARD WITH TOUCHPAD

PRODUCT FEATURES:

- Dual 2.4 GHz wireless and BT connectivity with a range of up to 10 m gives you complete freedom - control your Smart TV, computer, or tablet without the hassle of cables and restrictions
- Precise, multifunctional touchpad allows for convenient cursor and gesture control without the need for a mouse
- The compact size of the keyboard makes it easy to work in any environment – on the sofa, in the office, or on the go
- Full-size keys provide a natural, comfortable typing experience similar to a standard keyboard, reducing the number of typos
- Quiet X-Scissor keys provide smooth, almost silent typing – ideal for working in the office or late at night
- Wide compatibility means that one keyboard can handle your computer, TV, and tablet without any problems
- With 22 dedicated buttons, you can control your multimedia and smart features faster and more conveniently than ever before
