

BETA 7553N

Work t-shirt work, made from jersey cotton, 150 g/m2, black

Features

Our cotton work T-shirt offers you lightness, softness and versatility to meet every challenge with comfort

COMFORT

Cotton is a natural fibre that offers unrivalled comfort. Our t-shirt is made of 100% cotton (150 g) that is light, soft and breathable: perfect for all occasions.

VERSATILITY

With its simple plain-coloured design, this T-shirt stands out for its versatility. Adaptable to a wide range of styles and garments, it is an essential element for every wardrobe

SWEATBAND

Sweatband absorbs moisture, keeping the neck and shoulder area dry and comfortable

SIGNED BETA

The logos on the back and front of the T-shirt are the hallmark of an exclusive garment. Details that don't go unnoticed.
