

BETA 7978B

Rain jacket, waterproof

Certifications and Standards

EN 343

Features

Versatile and comfortable, the Beta rain jacket is perfect for tackling rainy days with confidence and practicality

COMFORT

Thanks to the holes on the arms and base, our rain jacket ensures excellent air circulation and breathability. In addition, it guarantees freedom of movement and comfort all day long

VERSATILITY

Our Beta rain jacket combines practicality and versatility with details such as the adjustable hood drawcord, double zip and Velcro fastening, and buttons to tighten the cuffs. Every detail has been carefully designed for optimal functionality.

Certifications and Standards

EN 343
