

Product data sheet

707 040

MultiStrip® 16

- Self-adjusting to cross-sections ranging from 0.08 mm² to 16 mm² without blade change
- Ergonomic design, comfortable grip distance (65 mm) and low weight
- Blade block can be replaced by hand – no other tools needed
- Low manual effort required, even at maximum capacity setting
- Non-destructive stripping with adjustable cut penetration depth
- Multi-functional, with integrated cable snips (0.08 mm² to 16 mm²)
- Rugged, glass fibre-reinforced housing with two-component grip and eyelet for fall protection
- Stripping length using length stop (metric and imperial) can be adjusted precisely
- Grip can be personalised with company branding

General

Item number	707 040
