

BETA C5S

Durable polyester tool rucksack

Features

The Beta backpack is the ideal companion for any professional: compact, practical and designed to last.

ROBUSTNESS

Made from ultra-durable polyester and featuring reinforced stitching, it is built to withstand even the most demanding work environments.

HANDLING

Double central handle for a comfortable, secure and perfectly balanced grip.

ONE OF A KIND

Equipped with a practical internal roll-up bag made up of 4 tool-holder panels.

ORDER

The pockets and roll-up pouch with 4 tool panels allow you to neatly organize each tool, keeping everything accessible and well-arranged.

PRACTICALITY

Two front pockets and two side pockets allow you to always have essential tools and accessories at hand, optimising working times.

COMFORT

Adjustable, padded and reinforced shoulder straps offer high comfort even during the longest journeys.
