

BETA 7564N

Breathable stretch fleece jacket, multipocket style, black

Features

The perfect balance of practicality and protection: the Beta fleece jacket is the ideal solution for meeting work challenges in comfort and style

MAXIMUM PROTECTION AND COMFORT

The grid fabric of the Beta jacket provides high wind and cold resistance while ensuring excellent breathability for lasting comfort.

LIGHT BUT RESISTANT

Innovative construction perfectly combines cold protection and lightness, ensuring total freedom of movement and superior wear resistance, ideal for facing daily challenges in professional working environments

SOPHISTICATED DESIGN

Functional details and careful finishing, with touches of orange inspired by the iconic Beta colour, combine aesthetics and practicality for a professional look.

COMPLETE, COORDINATED LOOK

The 7564N fleece jacket is perfect for combining with the other garments in the TOP LINE line, creating a complete and professional work jacket without sacrificing comfort and style.

MULTITASKS

Maximum practicality at work: the fleece jacket with multipocket style combines comfort and functionality, offering convenient space for small items.

CUSTOMISED LYCRA

Lycra cuffs and waist provide a snug fit, improving comfort, cold protection and wear resistance.

INNOVATIVE FABRIC

The innovative fabric of the Beta fleece jacket offers protection from wind and cold, while ensuring lightness, breathability and comfort.
