

# USB 2.0 Smart Card Reader for Smart cards with Contact chip

## Description

The card reader by Delock can be used for data transfer of **Smart cards**, e.g. healthcare cards, SIM cards or online banking. The card reader can be connected to a PC or laptop via the **USB interface**.

### Small, stable and handy

Due to its **small dimensions and its sturdy housing**, this Delock card reader is particularly suitable for travelling. It can simply be packed into the bag together with the laptop or tablet and used as needed.

**Item no. 91724**

EAN: 4043619917242

Country of origin: China

Package: Retail Box
