WARNING AND SAFETY BEACONS & WARNING LIGHTS

Car or commercial, industrial or agricultural, on or off-road, the new and improved range of beacons and work lights from Lucas Electrical has it covered. Halogen, Xenon and LED beacons are available in DIN, flexi-DIN, one bolt, three bolt and magnetic fittings for a multitude of applications.

Trust Lucas

You know the name. You know the colour.

Our iconic green boxes have been a familiar feature of garages across the globe for decades. That’s because we’ve always provided parts that mechanics trust and keep close at hand to get the job done. That’s as true today as it ever was.

Our Lucas Electrical product portfolio covers premium quality components for the automotive aftermarket and boasts market-leading vehicle parc coverage for Automotive Bulbs, Engine Management & Ignition, Lighting & Mirror, Switchgear, Warning & Safety, Window Regulation and Wiper Blades.

Lucas products are driven by engineering excellence and a spirit of innovation that ensures our continued global success. Our reputation is built on an extensive range, exceptional technical durability and endurance, and outstanding quality.

We’ve been providing all this for over 135 years – and we’re still growing. That’s why we’ve been continuously trading longer than any other automotive component brand in the world.
