

Grease for dampers

An innovative product designed to extend the lifespan and improve the performance of dampers in bicycles, motorcycles, and other vehicles with telescopic suspension. Its unique formula combines protection, maintenance, and friction reduction to ensure a smoother and more comfortable ride in all weather conditions.

Product features:

- ✔ reduces friction,
- ✔ anti-corrosion properties,
- ✔ repels water,
- ✔ transparent protection,
- ✔ safe for metals, rubber, and plastics,
- ✔ 360° valve for easy application.

Applications:

- ✔ bicycle and motorcycle dampers,
- ✔ gas springs in trunk lids,
- ✔ vehicles with spring suspension.

Physicochemical properties	
Appearance	Transparent liquid
Odor	Characteristic
Density at 20°C	~0.85 g/cm ³
Operating temperature	-40°C to 50°C
Shelf life	3 years

Compatibility:

Grease for dampers is safe for metals, rubber, and plastics, which makes it suitable for use on all damper components without the risk of damage. Thanks to its transparent formula, it does not affect the appearance of components.

Application method	
Aerosol with tube	Yes

Usage instructions:

Restricted to professional users. Read SDS carefully prior to use.

Before application, make sure that the damper components are clean and dry. Shake the can well to mix the ingredients. Using the 360° valve, spray the grease evenly over the surfaces, directing the straw precisely where needed. Leave the product to work and allow it to fully absorb. For optimal protection, regular application is recommended.

Package	
Aerosol	100 ml (ART.AGT-215) - 12 pcs.*

*Quantity of pcs. in a bulk package.

Storage:

Store in sealed containers in dry, well-ventilated areas, away from heat sources, ignition sources, and direct sunlight. Do not expose to temperatures exceeding 50°C (122°F). Protect from electrostatic discharges.

Technical support:

AG TermoPasty provides technical support, answering questions about the technical specifications and applications of our products. Please contact us via email at info@termopasty.pl.
