Network Cable Connector RJ45 coupler jack to jack Cat.6, cylindrical shape, black

Description

This coupler by Delock can be used to connect or extend two RJ45 network cables.

Cylindrical shape

The cylindrical shape of this RJ45 coupling is characterised by its particularly compact and practical design. Thanks to its slim and symmetrical structure, the model can be easily installed in tight or hard-to-reach areas where conventional, larger connectors may not fit. These features make the connector particularly suitable for use in homes, small offices or server rooms where space is limited.

Item no. 90836

EAN: 4043619908363

Country of origin: China

Package: Zip poly bag

Technical details

- Connectors:
  1 x RJ45 jack
  1 x RJ45 jack
- 1:1 connected
- Cat.6 specification
- Cylindrical shape
- Unshielded
- Material: plastic
- Colour: black
- Dimensions (LxD): ca. 30.1 x 16.8 mm

Package content

- Adapter
