

USB Type-C™ to DisplayPort Adapter 8K with HDR and HDCP Support

Description

This DisplayPort adapter by Delock can be used to connect a **DisplayPort monitor to a USB-C™** interface. The compact adapter enables razor-sharp 8K video transmission at 60 Hz – ideal for professional applications, gaming, or high-resolution media playback. It is also compatible with all devices that support **DisplayPort signals via USB-C™ (Alternate Mode)**.

Item no. 61078

EAN: 4043619610785

Country of origin: China

Package: Retail Box
