TOSLINK Adapter male to female, 90° angled and 360° rotatable

Description

With this 90° TOSLINK adapter by Delock, optical audio cables can be easily connected even to hard-to-reach ports. The angled design is ideal for tight spaces behind TVs, soundbars, hi-fi systems, or AV receivers, helping to route cables neatly and save space.

360° rotatable

The adapter rotates 360°, allowing for particularly flexible alignment depending on the installation situation. This ensures the existing TOSLINK cable can be connected optimally without causing unnecessary strain or excessive bending of the cable.

Compact design

Due to its compact design, the adapter is ideal for expanding or optimizing existing audio setups in home theater and hi-fi systems.

Item no. 84597

EAN: 4043619845972

Country of origin: China

Package: Zip poly bag

Technical details

- Connectors:
  1 x TOSLINK male
  1 x TOSLINK female
- 90° angled
- 360° rotatable
- Colour: black
- Dimensions (LxWxH): ca. 32 x 14 x 26 mm

Package content

- TOSLINK adapter
- Dust cap on the male connector
